EN9 Floorline Bed

Product Code: 7-EN9

The Alrick EN9 Floorline Bed is the first ever universal bed that suits low care, high care and bariatric care. This innovative three-in-one bed has a low height of 100mm and no towers!

Suitable for care of elderly or dementia patients, through to acute and bariatric settings, the Australian made EN9 Floorline Bed has you covered. One bed, endless possibilities!

Auto-Regression allows for extra comfort, supports pressure management, & promotes user independence.

Customisable colours and styles to suit the users or carers needs or room aesthetics.

Floorline model with a low height of 100mm to ensure prevention against falls injuries.
