Standard Head & Footboards

The standard 2400 Acute head and footboards feature an Ironstone Powder Coated frame with a Classic White Laminate infill.

This style of head and footboard was designed with emergencies in mind, being easily removable with their drop in and lift out feature. The sturdy frame on this style, allows for better control, when maneuvering the bed. These endboards can be customised with various powdercoat and laminate colours to suit your acute care environment (*contact the team for your custom quote*).
