

Staebel Positioning & Support Wedge

staebel 

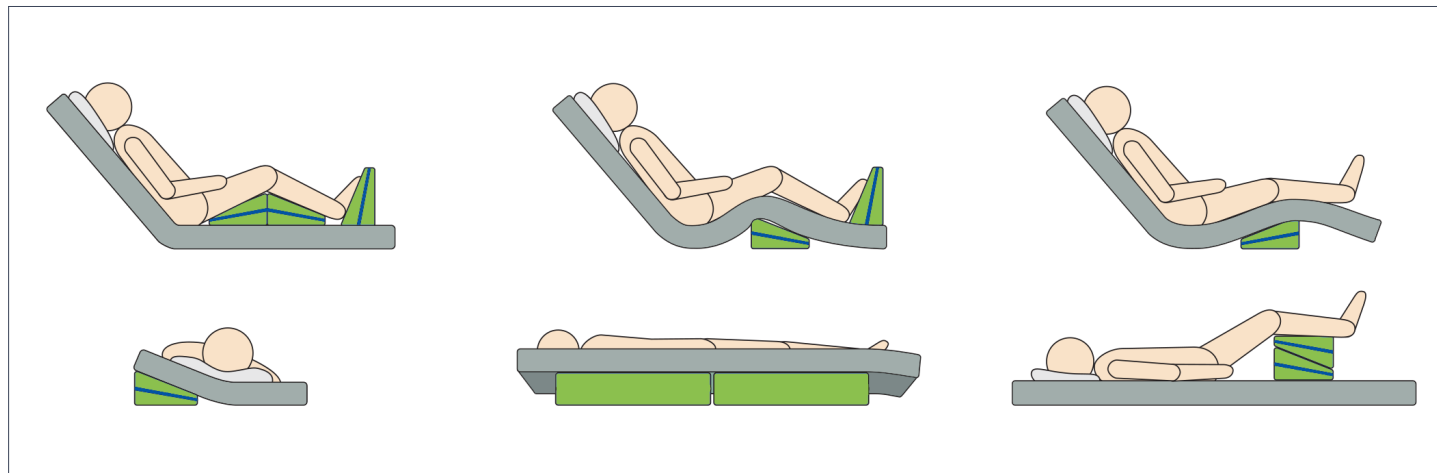

Product Code: 3689

The ideal solution when relieving pressure off the user.

This foam positioning support wedge is used to place a user in a side position in order to relieve the sacrum, which is an extra sensitive area. For the side position, two support wedges are used together. The support wedge is easy to use and easy to clean. It is supplied with a zipped, liquid resistant and vapour permeable cover.

- The cover can be wiped or machine washed.
- Ultimate pressure relief
- Soft comfortable foam, stretch vinyl covered
- Can be used together.
- Lightweight Design
