

Staebel EN7 Floorline Bed

staebel 

Product Code: 7-EN7

The universal floorline bed that suits low, high & bariatric care!

The Staebel EN7 Floorline Bed is one of the lowest beds available on the market and designed for intensive use. The bed lowers to floor level to prevent injuries and accidents caused by falls from beds. This bed has all of its actuators and mechanisms concealed beneath the sleeping platform, allowing the bed to be constructed with no end pedestals!
