

# Staebel Disposable Procedure Slide

Product Code: 210068

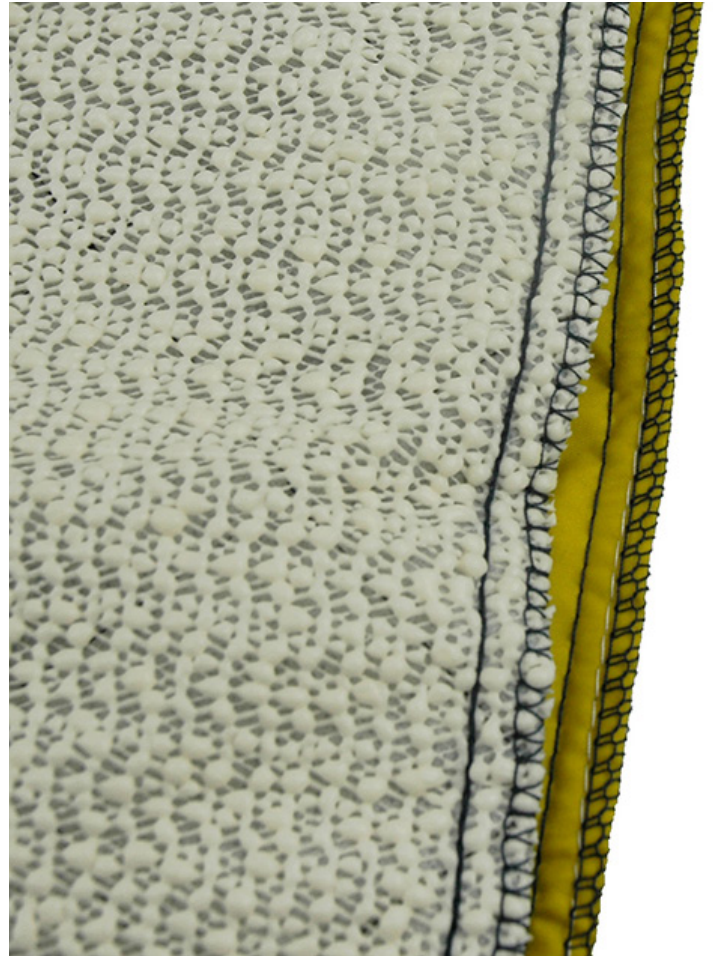

# Easily position patients in the lithotomy position using the unique, Staebel Disposable Procedure Slide.

The Disposable Procedure Slide is a simple slide sheet that allows health professionals to easily move patients into the lithotomy position, ready for surgery. It is ideal for head-down procedures where the patient is positioned at an incline of up to 25 degrees. Position patients at inclines up to 25 degrees, facing head-down

These Procedure Slides are designed for single-patient use. Practitioners should dispose of each cover after each patient use

- Adjust patient position mid-surgery
- Slide patients back up the operating table post-surgery
- Disposable slides help teams uphold excellent infection control
- Slippery material enables easy patient repositioning
- Integral locking pads ensure safety and security
- Can remain under the patient
- 25 per pack
