

Staebel Lifting Sheet

Product Code: 210138

The Lifting Sheet offers the ultimate falls management solution for transporting an injured person from an accident or other emergency.

The Lifting Sheet is a lightweight falls management solution, ideal for use when health professionals need to raise someone from the floor in a horizontal position. Designed in conjunction with the Guidelines for Safer Handling during Resuscitation in Healthcare Settings, the lifting sheet is perfect for post-resuscitation transfers where a stretcher hoist is not available to move the patient from the floor onto a bed or trolley.

- Lightweight solution when no stretcher hoist is available
- Robust design supports patients weighing up to 150kg
- Washable at 74°C
- Waterproof and Fire-retardant
- Can remain under patient
