

Staebel One Way Slide & Lock

staebel 

Product Code: 2101OWS

The Staebel One Way Slide & Lock are designed to allow carers to help a user slide to the back of a chair or wheelchair and not be able to slide down.

Handles are positioned equally along the length of the product and carers can use the handles directly or attach extension straps to the handles, to prevent them having to bend down.

To help people to sit back properly in chairs or wheelchairs without sliding back down. People independently, or with assistance by one or two carers depending upon need

- Prevent people sliding down in wheelchairs, chairs and beds
- Improves people’s seating posture and comfort
- Allows people to be positioned further back in a chair
- Increases people’s independence
- Can be used unassisted or with carer assistance
