

Staebel In Bed Sit Supports

Product Code: 210440

This easy-to-attach bed ladder allows patients to maintain control as they sit up and lie down.

Patients who would otherwise struggle to manoeuvre themselves gain a whole new level of independence with the bed rope ladder, allowing them to reposition themselves safely and easily.

You will love how simple this multicoloured functional webbing ladder is to attach. No knots to ties or worry about. Just loop it through itself and then use the different coloured rungs to help you as you sit up or lie down. Ideal if you want to maintain your independence and just need a little more help or if you are going through a process of rehabilitation.

- To help people sit up/lie down independently and in a controlled manner
- Easy to attach
- Enables patients to reposition themselves independently
- Easily grippable material
- Small spaces between rungs
- Choice of sizes to fit any bed
- Safe Working Load of 300kg
