

Staebel Relax Trio Cushion

staebel 

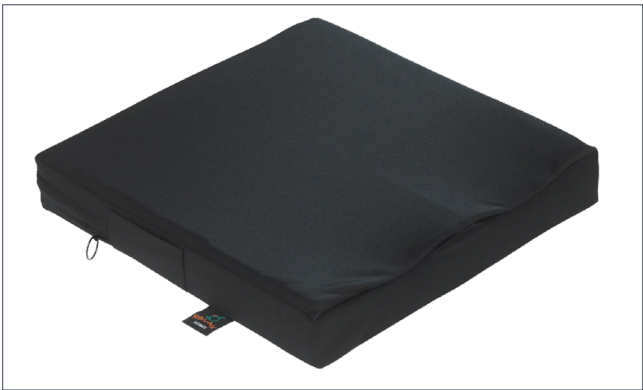

Product Code: 353RTC

An ultra-lightweight wheelchair cushion that is suitable for all healthcare environments.

The Staebel Relax Trio is an ultralight cushion that benefits from four sections of FloGel being positioned into a polyurethane base, with a viscoelastic foam upper layer. It is specially designed to conform to the shape of the user, increasing surface area and relieving pressure. Suitable for low risk users, the cushion can be rotated, it has no designated front or back.

- 1.5" (40mm) thick
 - Rotatable cushion with no front or back.
 - Highly durable and light weight.
- Clear protective (PU) film coating with no seams is easy to wipe clean and suitable for incontinent users.
 - Recovery foam upper layer with a fast recovery foam core and a viscoelastic slow foam base, specifically designed to conform to the shape of the user, increasing surface area and relieving pressure
 - Suitable for those low to at-risk of pressure injury.
 - Includes Outer Black cover- Can be machine washed up to 60°C
